NOTES:

1. Data reported for the 2024 statistical year include adjustments to the totals for some non-reported items (from individual congregations) using data reported in prior years. Similar actions occurred in 2023.
2. Some state conventions no longer use the designation of church-type mission to categorize congregations that are not self-determining, self-sustaining, and self-propagating. This practice has impacted the number of churches and church-type missions.
3. Totals for items in this table have incomplete data for 2024 due to the fact that not all state conventions asked the item or did so in a way not comparable with the standard definition. Thus, comparisons between the two years may not be appropriate. See the Notes in the 2023 SBC Annual Church Profile Statistical Summary for specific details to determine if a comparison is desirable.
